

The house, with its minimalistic design, is bright, panoramic and well equipped and is perfect for 4/6 persons. But two more people can easily be accommodated as well, reaching a capacity of 8.

It is composed of two big bed rooms, two bathrooms, a kitchen and a spacious living room with two double sofa beds. A large and panoramic veranda offers the opportunity to have breakfast or dinner outside enjoying a beautiful view over the city.

The apartment is on the second floor and it is served by an elevator; it is 90 sq.m. + 25 sq.m. of veranda. The spacious living room proudly displays an antique "fratino" of 2.9 meters. This is a characteristic table in walnut wood where monks used to have their meals in religious silence.

The house is equipped with AC (air conditioning), tv, dvd player, hifi and wifi. The kitchen is well furnished and offers a dish washer and washing machine.
